Re: Torres Rivera v. Maldonado
Lehigh Co. CCP No. 2019-FC-0956

Dear Ms. Durrwachter:

Your client requested this period of custody for the purpose of a vacation. My client has requested the itinerary on the App several times. The child has suggested that they are or are traveling to New York. Section 7 of the agreement requires pre-notification of travel and that an itinerary be provided.

Also, please remind your client of the obligations of Section 9 relating to disclosure of a current address as the landlord tenant records reflect that a substantial unsatisfied monetary judgment has been entered against your client. Working with you to resolve things appears to be unilateral in nature such that this is the only notice and opportunity to cure any issues relating to the above. Be guided accordingly.

Very truly yours,

William P. Marshall
